

Invocation To The Silver Ray

I call upon the Elohim of the Silver Ray
To pour Divine Grace through my bodies.

I call upon the Elohim of the Silver Ray
To release all karmic patterns,
To release all pockets of resentment,
That I may know Joy.

I call upon the Elohim of Grace
To fill my being with forgiveness,
To fill my life with gratitude,
And fill my heart with celebration.

I call upon the Elohim of the Silver Ray
To release my bindings of pettiness,
To break the joke of hatred,
And free my soul.

I call upon the Elohim of Grace
To fill me with the Joy of Living -
NOW.
